French Summer Curriculum overview 2023-2024

We are using a new scheme that assumes children have completed all the units from previous years. We have therefore chosen for everyone to start from the same place, so that there are no gaps in vocabulary and learning.

Year 3	Year 4	Year 5	Year 6
French playground games – numbers and ages • Recall numbers one to 12 with increasingly accurate pronunciation • Join in with a song using actions. • Ask and answer a question about their age. • Play a French playground game **In a French classroom** • To respond to simple classroom instructions. • To name school bag objects and recognise if they are masculine or feminine. • To read and understand short sentences.	**French playground games – numbers and ages** • Recall numbers one to 12 with increasingly accurate pronunciation • Join in with a song using actions. • Ask and answer a question about their age. • Play a French playground game **In a French classroom** • To respond to simple classroom instructions. • To name school bag objects and recognise if they are masculine or feminine. • To read and understand short sentences.	**French playground games – numbers and ages** • Recall numbers one to 12 with increasingly accurate pronunciation • Join in with a song using actions. • Ask and answer a question about their age. • Play a French playground game **In a French classroom** • To respond to simple classroom instructions. • To name school bag objects and recognise if they are masculine or feminine. • To read and understand short sentences.	**French playground games – numbers and ages** • Recall numbers one to 12 with increasingly accurate pronunciation • Join in with a song using actions. • Ask and answer a question about their age. • Play a French playground game **In a French classroom** • To respond to simple classroom instructions. • To name school bag objects and recognise if they are masculine or feminine. • To read and understand short sentences.
