

All powerful God,
you created all things,
and you are present throughout the universe and in
every creature,
You embrace with your tender love all that exists.

Pour out upon us the power of your love,
so that we may have the strength and courage
to protect all life and the beauty of our world,
preserving it from pollution and destruction.

Fill us with your peace, that we may live
as brothers and sisters, harming no one,
And caring for the Earth, our common home.

Teach us to discover the worth of every creature on this earth,
Let us protect those at risk and in danger,
Encourage us as we seek justice, love and peace.
Stay with us each day, with the power of your grace.

Through Christ our Lord
Amen

OCTOBER - Bat Appreciation Month

What is it?

Bat Appreciation Month lasts for the whole of October. It helps us to learn about how important bats are.

Bats eat bugs, help plants grow through pollination, and spread seeds. This month reminds us to be kind to bats and protect them. we can also think about ways we can help bats in our local community.

What can you do?

- Make a bat box to go up around your school grounds.
- Plant flowers that open up at night, like white jasmine and evening primrose.
- Keep any unnecessary lights off at night around school.
- Learn a facts about bats and share it with your Eco Group.
- Adopt a bat: <https://www.bats.org.uk/support-bats/adopt-a-bat>

Remember to email any photographs of the work you do celebrating all things bat to laudatosicentre@dioceseofsalford.org.uk or tag us in your posts @laudatosicentre
